

Did you know that
nurses earn more
than accountants,
and have more job choices
than Web engineers?

Did You Know?

SO, WHO'S THE SMART ONE NOW?

When it comes to choosing a career field, some people think the only choices are in computers, or finance, or some other related field. But did you know that the average salary for a Registered Nurse exceeds the salary of an accountant?* Or that over the next decade, nursing will be the fastest growing of all occupations, outpacing software, gaming, and web engineers?* So, the next time someone asks you what one of the best jobs in the world is, you can be smart and tell them.

CHOOSE NURSING.

How many careers offer numerous scholarships and financial aid for college...great money...job security...intellectual challenge...incredible personal satisfaction...and the skills to change people's lives.
